General Information

Booth size: 10 x 9. If you need more space, you must purchase an extra booth.

Fees: \$75 per space \$100 per space with electricity. Money is due with application no later than August 30th.

Electricity: Some spaces have electricity. Please check above if you need electricity. All spaces are first come first serve.

Parking: Vendors may pull up to merchants building to unload items for setup/tear down but must move their vehicles to normal site parking when done. Absolutely no parking around merchants building. Violators will be towed at owners expense.

Setup: all areas will be available for setup starting Wednesday at 9am. The exhibit building will be locked during times the festival is not open.

Times: building hours are from 5:00 pm to 8:00 pm Wednesday through Friday and 11:00 am to 6:00 pm Saturday. In fairness to patrons and other vendors you are required to have your booth setup until 6:00 pm on Saturday. \$25 of your vendor fee will be reimbursed if this condition is met. All displays must be cleaned up by 10:00 pm Saturday.

Sales information: no food or drinks can be sold in merchants building. You may sell raffle tickets within your booth and on the midway only. No other areas of the festival grounds. The festival association accepts no responsibility for lost damaged or stolen items. Please make sure someone is at the booth during open times. Leaving your booth unmanaged for long periods of time is not fair to patrons of the merchants building. Please keep all booths clean. It is the vendors responsibility to pick up their own trash. Any vendors displaying or selling motorized vehicles or equipment are required to show proof of liability insurance.

Restrictions: silly string, hair dye, fireworks, snap pops, stink bombs, and other similar items may not be sold in the merchants building. Please refrain from displaying any offensive language or images on all merchandise. Political items are allowed if they follow previous restrictions.
