## A Message from the Spoon River Partnership for Economic Development (SRPED)...

We are officially halfway through the application window for the Fulton County Small Business COVID-19 Relief Grant. The Spoon River Partnership for Economic Development has been accepting applications since February 14th, and will continue to do so until March 31st, 2022 at 5:00 p.m. To date SRPED has received almost 40 applications for the program. I encourage all small business owners to check on their eligibility by visiting <https://www.cantonillinois.org/fcsbg-covid-19-relief-grant-program/> or contacting Cole McDaniel, Executive Director – SRPED.

There are many exciting projects underway and in the planning stages, as well as several new businesses opening in Canton! A few businesses that you can expect to see getting their project underway or opening their doors include: Arby's, VR Meat Company, Out

Hustle Training Facility, Midwest Cedar & Timber, Midwest Powersports, Development Project at Former East Side Antiques Building, Cup of Canton, Development Project at Former Canton Daily Ledger Building, and many more!

Small business development and downtown revitalization projects are on the rise in Canton, and 2022 is primed to be a significant year for Canton and Fulton County.

SRPED is dedicated to serving as a catalyst for economic and community development. Our mission is to create community partnerships, business opportunities, and implement programs and projects that foster growth and development.
