- 1.) Take your pre-imprinted Chamber Check(s) to any participating Chamber-member business and shop for the goods and services.
- 2.) When you are ready to make your purchase, **enter the name of the business on the Chamber check where it will be used on the “pay to the order” line, just like you would on your own personal check**
IMPORTANT: Do Not Write recipient’s name on the (pay to order of) line.
- 3.) Hand the check to the cashier or service provider, and they will apply the pre-imprinted amount to your purchase.

Thank you for shopping and supporting your local Chamber of Commerce members!
