2024 Chamber Dues Chart

Annual Investment:

Membership is open to all businesses that maintain a voluntary annual dues investment, or local citizens who are interested in the betterment of our community. Our membership investment is based on the number of full-time (or full-time equivalent) employees or as listed in the fee structure below. Additional support is also critically important and we offer the opportunity to join our 150% Club to businesses who choose to enhance their investment.

Members who opt to join the 150% Club will be recognized at the Annual Dinner and in the Chamber Courier, a monthly newsletter publication.

(please circle the investment that fits your organization)
