

## Who We Are

The Spoon River Partnership for Economic Development (SRPED) is a 501(c)(3) tax exempt non-profit organization dedicated to serving as a catalyst for economic and community development throughout Fulton County, Illinois.

## Our Focus

### Small Business Services

Assistance to help start, support and grow small business. Attracting entrepreneurs and developing partnerships for current and future needs.

### Community Navigator

Connect individuals and businesses with the resources needed to thrive in Fulton County. Revitalizing community assets and enhancing an educated workforce.

### Marketing & Promotions

Advising & training on marketing trends for business growth. Promotions of attractions, businesses and events to expand tourism in Fulton County.

### Economic Development

Provide specific programs and revitalization opportunities to foster economic growth.

## Our Mission

To create community partnerships, business opportunities, and implement programs and projects that foster growth and development.

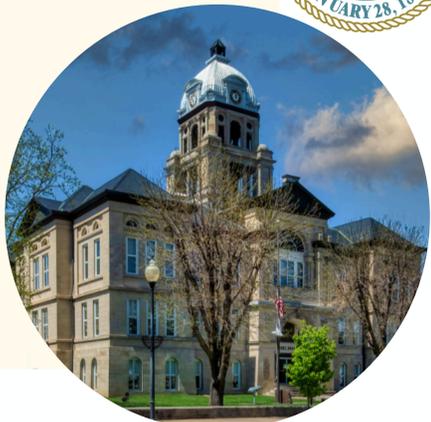

## Collaboration

SRPED is funded through public and private contributions from a variety of different entities. Investing in our mission supports economic growth throughout Fulton County. We rely heavily on small business collaborations and investor contributions.
