

The Canton History & Arts Alliance is excited to invite you to partner with us as we introduce a season of events designed to celebrate community, culture, and connection in Canton.

Following the success of the Bicentennial Committee, the Alliance was established to continue building pride and engagement in our community. We are committed to Canton by creating fun, welcoming spaces where everyone can enjoy and connect with local arts and history.

From June through September, the Alliance will host a variety of community-focused events and gatherings in downtown Canton. These events are designed to bring people together, support local businesses, and provide opportunities for entertainment, connection, and shared experiences.

Thanks to partners like you, we can continue the energy sparked during the Bicentennial and create future community experiences.

Please consider partnering with us as a sponsor any of the amazing upcoming events we have planned for our community.
